Basemappr Alpha Program — Early Access Agreement

Effective Date: March 3, 2026

1. Acceptance of Terms

By accessing or using Basemappr during the Alpha Program ("Alpha"), you agree to be bound by these Alpha Terms of Service ("Terms"). If you do not agree to these Terms, do not use Basemappr.

These Terms apply specifically to the Alpha phase of the product. They may be updated as the product evolves. Continued use of Basemappr following any update constitutes acceptance of the revised Terms.

2. Alpha Program

Basemappr is currently in an Alpha stage of development. This means the product is incomplete, actively being tested, and may contain bugs, errors, or other issues. Features may be added, removed, or changed without notice.

- Alpha access is provided at no cost during the testing period.
- We reserve the right to limit, suspend, or terminate Alpha access at any time without notice.
- Alpha access does not imply any promise of future pricing, availability, or features.
- You may be asked to provide feedback; doing so is voluntary but appreciated.

3. Permitted Use

Basemappr is intended for use by licensed professionals in the AEC (Architecture, Engineering, and Construction) industry for project planning, site assessment, and related professional workflows.

You may not:

- Use the platform for any unlawful purpose or in violation of applicable regulations.
- Resell, redistribute, or sublicense data exports or platform access.
- Attempt to reverse-engineer, scrape, or circumvent platform security.
- Use exported data in a manner that implies survey-grade precision (see our Export Disclaimer).

4. Data Accuracy and Reliance

Basemappr provides geospatial data derived from publicly available sources including USGS 3D Elevation Program (3DEP) and Pennsylvania Spatial Data Access (PASDA). While we strive for accuracy, we make no warranties regarding the completeness, currency, or fitness for a particular purpose of any data provided.

Data exports from Basemappr are NOT intended to substitute for licensed survey work, and should not be used as the basis for construction, permitting, legal boundary determination, or any other purpose requiring certified survey accuracy. See the Export Disclaimer for full details.

5. Intellectual Property

All platform code, design, trademarks, and branding are the exclusive property of Basemappr. Source geospatial data is owned by the respective public agencies (USGS, PASDA, etc.) and is subject to their respective terms.

Exports generated by the platform may be used by you for professional project work, but may not be redistributed or commercialized as standalone data products.

6. Limitation of Liability

TO THE FULLEST EXTENT PERMITTED BY LAW, BASEMAPPR AND ITS OPERATORS SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES ARISING FROM YOUR USE OF, OR INABILITY TO USE, THE PLATFORM OR ANY EXPORTS GENERATED THEREFROM.

Our total liability to you for any claims arising under these Terms shall not exceed the amount you have paid for the service in the twelve months preceding the claim (which during Alpha is \$0).

7. Disclaimer of Warranties

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT.

We do not warrant that the platform will be error-free, uninterrupted, or free of harmful components.

8. Governing Law

These Terms are governed by the laws of the Commonwealth of Pennsylvania, without regard to its conflict of laws provisions. Any disputes arising under these Terms shall be subject to the exclusive jurisdiction of courts located in Pennsylvania.
